

NEED HELP WITH YOUR HISTORICAL INVESTIGATION PROJECT?

Look no further than the following NLB databases for information on Singapore's history!

NEWSPAPERSG

WHAT: A repository of digitised newspapers published in Singapore.

Information available include: articles, pictures, letters, ads and obituaries.

FEATURES: *The Straits Times* articles from 1845-1989 (home access) and 1990-2009 (library access).

For an example, see: <http://eresources.nlb.gov.sg/newspapers/>

Use **ADVANCED SEARCH** to search for specific dates or content type.

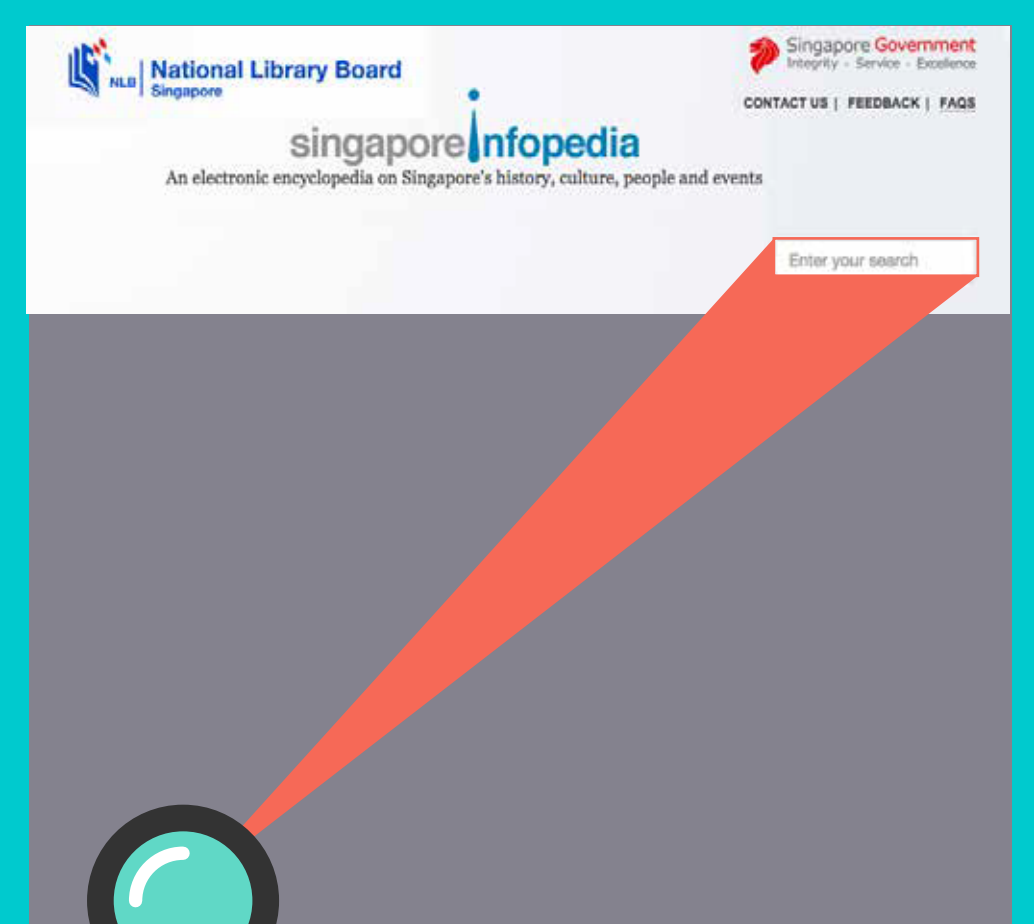

INFOPEDIA

WHAT: An encyclopedia on Singapore life, history and culture

Information available includes articles about: Events, People and Places.

FEATURES: Related articles can be found under the "Recommendations" column.

For an example, see: <http://eresources.nlb.gov.sg/infopedia/>

Search for content using the **SEARCH BOX** at the top right of the webpage.

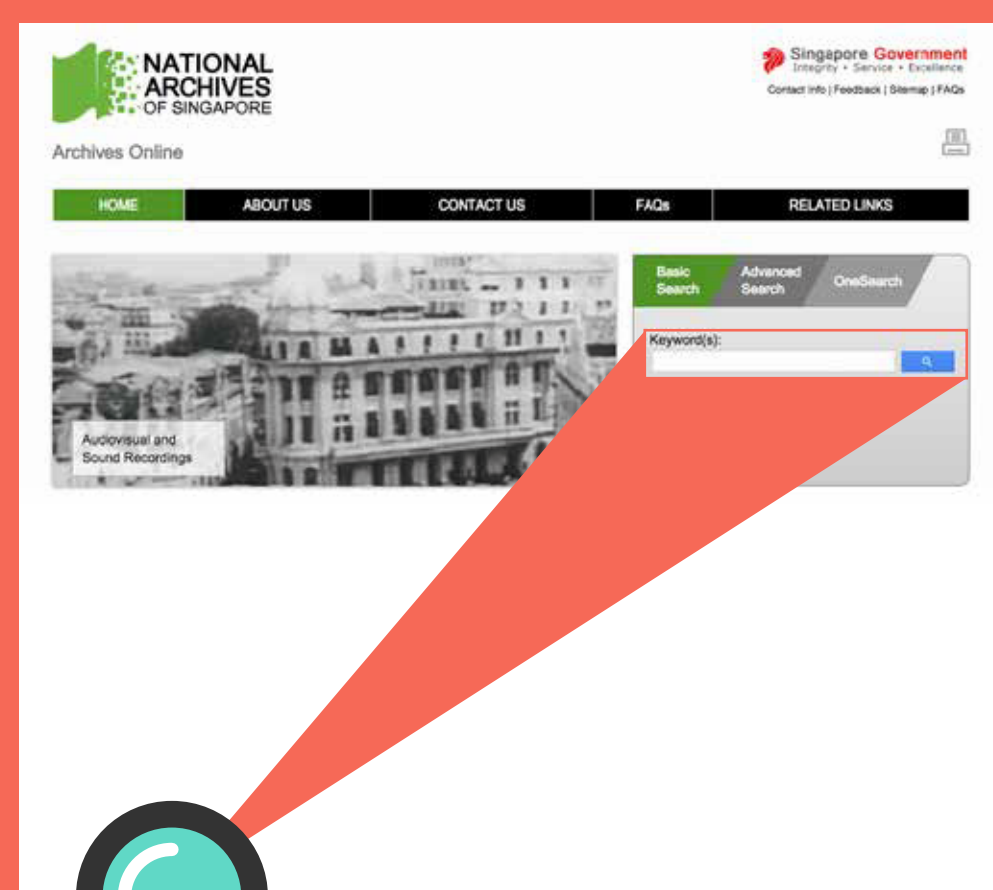

NAS ARCHIVES ONLINE

WHAT: A repository of archival materials of Singapore

FEATURES: Valuable primary sources in the form of old photographs, recordings of oral interviews and manuscripts.

For an example, see: <http://www.nas.gov.sg/archivesonline>

Search for content using the **SEARCH BOX** at the top right of the webpage.

HISTORYSG

WHAT: An online guide on the history of Singapore

FEATURES: Information on Singapore before 1819; further readings at the end of each article that links to related newspaper articles, books and sources.

For an example, see: <http://eresources.nlb.gov.sg/history>

Search for content using the **SEARCH BOX** at the top right of the webpage.
