

RUBRIC

The following is the rubric that Ms. Wong created:

		Yes	No
1.	Research Skills: <ul style="list-style-type: none"> The project has a clearly defined problem statement. Appropriate research method is used to collect information. 		
2.	Resource Skills <ul style="list-style-type: none"> The project report contains a mix of both printed and electronic resources. The report contains accurate and up-to-date information. The reference list is included as part of the project report. 		
3.	Critique Skills <ul style="list-style-type: none"> The project report presents a critical analysis of the information gathered. No or minimal evidence of plagiarism. 		
4.	Publishing <ul style="list-style-type: none"> The final product demonstrates evidence of originality and creativity. The report is formatted and organised in a systematic manner. Students are able to relate their research findings with real world applications.
