# HELP – Graphical User Interface Navigation

Different elements of the Module Graphical User Interface are explained below:

- **Audio Play/Pause:** Click here to play/pause the sound. It is automatically disabled in video frames as video frames have their own video/audio controller.
- **Back Button:** Click here to go to the previous page.
- **Breadcrumb:** This shows the module title.
- **Glossary:** Click here to get a glossary of important terms.
- **Next Button:** Click here to go to the next page.
- **Page Indicator:** This shows the current page number as well as the total numbers of pages.
- **Print Notes:** Click here to download/print summary and additional information on this module.
- **References:** Click here to get a list of references.
- **Resources:** This section contains the other useful reference documents for the module.
- **Sitemap:** Click here to access the sitemap for the module.
- **Transcript:** Click here to get the audio transcript for the module.
